## **MEDIA RELEASE**

**August 8, 2008 - BREAST CANCER ACTION, 2<sup>ND</sup> ANNUAL GOLF TOURNAMENT OF HOPE**

Helping meet the needs of those diagnosed or affected by breast cancer in the Ottawa area.

Breast Cancer Action was built on a foundation of hope by local breast cancer survivors who believed in making a difference in their community. The tournament proceeds help fund specialty programs such as educational workshops, pre-operative information sessions and exercise classes that help local area women.

"One in eight women will struggle with this disease, and we want to ensure that they don't feel they have to fight it alone" says Executive Director Colleen Lyle. Last year's golf tournament raised over \$10,000. This year we expect to exceed that amount. "We are a thrilled with the constant support and generosity of the people in Ottawa." continues Ms. Lyle.

Today, close to a hundred people will gather at Glen Mar Golf and Country Club in Stittsville to show their support for the courageous women fighting breast cancer. After a great round of golf the day will conclude with a dinner and silent auction.
